## Merriweds Sponsor 'Showcase Americana'

Saturday, March 23, from 10 a.m. to 4 p.m., the Merriweds will sponsor "Showcase Americana" at the Agawam Congregational Church, Main St., (Rte. 5A), Agawam.

Today's antique collectors are increasingly confronted with scarcity and rising prices and yet their ranks are growing. Man seems to have an inherent trait for collecting and this, coupled with a fascination with American history, results in an almost mad scramble, at times, for the few remaining choice pieces that do happen to come on the market.

The mounting scarcity and rising cost has led to the formation of a small group of people interested in reviving and encouraging fine craftsmanship in the traditional vein. Their aim is to add to, not forge, compete with or replace the work of our early regional American craftsmen.

The group calls itself "Showcase Americana" and in less than two years has gathered together some of New England's most interesting craftsmen, antique specialists and exhibiting collectors. They now embrace almost every facet of regional American folk art and crafts.

Skills include: hand-make furniture, canopy trundle beds and doll bedding, applehead dolls, hand weaving, tinsel painting, stained glass medallions, antique

jewelry, painted woodenware, miniature furniture, decoys, textile stenciling, woodturning, China painting, handcrafted silver and gold earrings, stuffed dolls, aprons, hand-knits, beeswax candles, herbs and others.

Also available will be unusual treats at the sugar booth, home baked goods and pony rides.

The Bell Ringers of Agawam Congregational Church will play several selections in the afternoon.

This will be the only exhibit and sale of "Showcase Americana" in Western Massachusetts. Luncheon will be served.

## Benevolent Society Meeting Monday

The Ladies Benevolent Society of the Feeding Hills Congregational Church meeting will be held Monday evening, 18th, in Griswold Hall. A brief business meeting will be called to order at 8 o'clock by the president Mrs. Elise Bradway.

The Girl Scout Troops sponsored by the Society will attend the meeting and present the Girl Scout flag ceremony under the direction of Mrs. Doris Hastings, their leader. They will also prepare the refreshments to be served after the program.

The guest speaker will be Mr. Leighton Cheney, executive director of the Protestant Youth Center at Baldwinville, Mass. He will tell of the work done at Baldwinville to help girls and their families with problems in education, guidance and mental adjustment to life. This is an ecumenical program helping emotionally disturbed girls throughout Massachusetts.

A social hour will follow the program. All women of the church are cordially invited to attend the meeting.

## New Voters Should Register By Mar. 30

The last day for registration of new voters for the Presidential Primaries is March 30, 1968, Saturday. The Board of Registrars will be in session at the Town Clerk's Office from 12 noon to 10 p.m. in the evening on this date for the purpose of registering new voters.

In order to qualify for registration to vote you must be a resident of the town at least six months and of the Commonwealth one year.

## Merv Griffin Is Host On Irish WWLP Special

Merv Griffin hosts a colorful St. Patrick's Special, largely filmed on location in Ireland, to be seen on WWLP—Channel 22 Monday, March 18, 10 to 11 p.m.

Featured guests are actor Burl Ives and movie director, John Houston, filmed at their respective home in Ireland; John Wayne, interviewed on location for his new movie, "The Green Berets"; actress Ella Logan, who recreates the song she introduced in "Finian's Rainbow," on Broadway, "How are Things in Glocca Morra?"; Irish folk group, The Clancy Brothers and Tommy Makem; comedian Jimmy Joyce; dancer Sandy Duncan, and the McNiff Irish Dancers.

## '68 Easter Seal State Chairman

State chairman of the \$430,000 Easter Seal appeal in Massachusetts is U. S. Senator Edward W. Brooke. The annual drive to provide funds for rehabilitation services for crippled children and adults will be held March 1 to Easter, April 14.

## South Pacific Special Performance Mar. 21

Thursday, March 21, performance of "South Pacific" is to be especially tailored for student and younger audience. The show will be complete, however some of the dialogue will be altered to make it better for a younger audience.

This year there is only one cast for the Agawam musical, not the double casting (with a different one on alternate nights) that had been used recently.

The Friday and Saturday performances of the musical will follow the original script.

## Catholic Women's Club Plan Annual Dinner

The annual dinner meeting of the Catholic Women's Club of Agawam will be held on Monday evening, the 18th, at 7:30 in St. John's Hall. A cornish hen dinner will be served followed by a surprise entertainment featuring home talent. Decorations in the hall will center around a St. Patrick's theme.

Rev. Walter J. Joyce, spiritual

advisor to the club, and Rev. Albert Blanchard will be honored guests.

In charge of the dinner is Mrs. Herbert Fuller with Mrs. Edgar Wilson, co-chairman. Serving on the general committee are: tickets and reservations, Mrs. Charles Beshaw, Mrs. Claude Ouellette, Mrs. Walter Milewski; favors, Mrs. J. Frank Donovan, Mrs. Stanley Drenowski; decorations, Mrs. Raymond Dumas, Mrs. Malachowski, Mrs. Harry Protzenko; seating, Mrs. John F. Rosati and Mrs. James Walsh.

Chairman of entertainment is Mrs. James E. Doyle with Mrs. Gerald B. Cleary, co-chairman. They are being assisted by Mrs. Robert Anderson, Mrs. Jack Brennan, Mrs. Rene Cadorette, Mrs. Joseph Cancelliere, Mrs. James Collins, Mrs. Timothy Collins, Mrs. Philip DeForge, Mrs. Oliver Dion, Mrs. David C. ## Halibut Goes South Of The Border

The flavor of Mexico is added to halibut in this colorful main dish. Halibut steaks are baked in a spicy tomato sauce with the addition of onion, olives and celery. The warm tang of the sauce accents the fresh flavor of the halibut.

Halibut can be purchased as fillets, steaks, or roasts, both fresh or frozen. When selecting halibut, be sure it's the genuine North Pacific halibut, since this is the true halibut. It is caught in the coastal waters of the Pacific Ocean and comes directly to markets and freezers across the nation, assuring fresh flavor and high quality.

For a new flare in cooking, try Halibut Mexicano. Served with fresh fruit and bread, your family or guests will cheer "ole!"

### Halibut Mexicano

2 pounds genuine North Pacific halibut steaks or fillets, fresh or frozen	1/4 cup chopped celery
3 tablespoons oil	1 (15 oz.) can tomato sauce
1 teaspoon salt	1/4 cup sliced stuffed olives
1 cup chopped onion	1 teaspoon chili powder
	1/4 teaspoon pepper

Defrost frozen halibut. Brush both sides of halibut steaks or fillets with 1 tablespoon oil. Sprinkle with salt. In remaining oil, saute onion and celery until soft. Add tomato sauce, olives, chili powder and pepper. Simmer 2 or 3 minutes. Pour sauce into shallow baking dish. Arrange halibut in dish, spooning some sauce over top. Bake at 350 degrees for 15 to 20 minutes or until fish flakes easily when tested with fork. Makes 6 servings.

## Post No Hippies!

San Francisco

Two hippie mailmen have been tripped in a tangle of hair.

They have been handed enforced leaves of absence without pay until they trim their beards and hairdos to lengths acceptable to San Francisco postal officials.

Crew-cut Charles W. Harper, spokesman for the post office here, said the boom is being lowered on hippies in advance of expected nationwide regulations from Washington.

About 100 hippies have indoor postal jobs. Most of the 18 regular hippie mailmen who deal directly with the public have obtained conventional haircuts, Mr. Harper said.

## COLLEGE NEWS

The American International College basketball team has performed before 20,600 fans at Butova Gym this season. On the road, the Yellow Jackets attracted 11,050 followers to add up to a total attendance of 31,650 for regular season play.

The American International College hockey squad has only lost five games in division competition this season, but four of those decisions were determined by the exact same score of 5-3. The Yellow Jackets have also won a 5-3 verdict, icing Boston State at the Coliseum on Feb. 29.

Miss Beverly L. Mickey, daughter of Mr. and Mrs. Percy A. Mickey of 467 Pine St., Feeding Hills, has been named to the dean's List, as announced by Dr. John J. Komorek of the North Adams State College. Beverly received high honor, being 3.41 to 3.74 average.

Engene Waniewski, son of Mr. and Mrs. Julian Waniewski of 417 So. Westfield St., Feeding Hills, has been elected treasurer of the Business Forum at St. Michael's College, Winooski, Vt.

The Business Forum is made up of students who are concentrating in business administration at the Winooski liberal arts college.

Eugene a senior at St. Michael's College, is a graduate of Agawam High School.

The Evening Division Dean's List for the first semester at Western New England College includes the following local students:

Peter W. Grazio of 420 Main St., William R. Yorns, 27 Merrell Dr., Agawam, Raymond Favreau, 90 Pleasant Dr., Edward B. Kelly, 44 Southwick St., and Robert Webb, 870 North St., Feeding Hills.

Miss Diane Gallerani of 361 Suffield St., Agawam is one of the chairmen of the 28th Annual Model Congress to be held at American International College March 21-23.

## N. E. Garden-Flower Show At Suffolk Downs March 16-24

Spring will be ushered in with a gala "New England Holiday!" at the 1968 New England Garden & Flower Show, March 16-24, at Suffolk Downs, East Boston.

Now in its 97th year, the show sponsored by Mass. Horticultural Society, serves as a traditional salute to Spring. The thousands and thousands of massed blooms and trees in full leaf give winter weary visitors a colorful preview of the coming spring season.

Gathered around the village green in this year's spectacle will be a picturesque New England town. The beautiful white spired church, the bandstand, an old county courthouse, and the village homes with quaint dooryard-gardens are sure to recall nostalgic memories of the good old days when show visitors view this fabulous setting.

The colorful midway will offer the latest in gardening tools and supplies, and information to aid gardeners. The "house with a green thumb" will feature imported reproduction furniture with coordinated plants as accents. A continuous side show of free films, lectures and demonstrations and displays showing use of plants for urban renewal, therapy and rehabilitation and recreation will also be presented throughout the nine days.

## ARCTIC TREK

POINT BARROW, ALASKA—A British expedition left here at the start of a 3,200-mile trek across the frozen Arctic ocean to the Spitzbergen archipelago, 400 miles north of Norway.

About half the population of this town of 2,000 turned out to watch the four-man team move on to the ice pack.

Wearing bright orange wind-breakers and fur parkas, the men set out due east from Point Barrow taking advantage of unexpectedly good ice conditions near the northern tip of Alaska.

The expedition was expected to last about 16 months.

Team members were leader Wally Herbert, Dr. Ken Hedges, explorer Allen Gill, and Dr. Roy Koerner, a glaciologist.

Affording free parking for thousands of cars, Suffolk Downs is easily reached by car via Rte. C-1, two miles north of Callahan Tunnel, or by MBTA. Restaurant facilities and ample rest areas are available for the further convenience of show visitors who journey annually from all parts of New England and beyond for an early glimpse of spring.

This year the show will be open to the public at noon on Saturday, March 16. Show hours will be from 10 a.m. to 10 p.m. daily, and from 1 p.m. to 10 p.m. on Sunday, March 17 and 1 p.m. to 6 p.m. on Sunday, March 24.

Incorporated in 1829 for the purpose of encouraging the practice and art of horticulture in the United States, the Mass. Horticultural Society is a non-profit, membership organization. Its Spring Show is the largest and oldest continuing exhibition of its kind in the country.

## 'Mail For Servicemen' Pamphlet Available At Local Post Office

An illustrated pamphlet — "Mail For Servicemen" — outlining the expanded program for airlifting letters, packages and other military mail overseas at low postal rates is now available through Agawam Post Office window clerks, Postmaster Robert R. DeForge announced today.

Postmaster DeForge said "as a result of new legislation and action by President Johnson we are airlifting more than 75 per cent of all mail going to the military men and women stationed abroad. We hope this guide will help more American families be familiar with these services and use them."

The eight page pamphlet illustrates three services for airlifting parcels at rates the average family can afford, the speedy service now available for newspapers and news magazines to most overseas bases, the special rates for books and similar educational materials, and how to mail sound-recorded personnel messages. The guide also provides parcel wrapping instructions, information on the time it takes parcels to reach Vietnam and other overseas bases from major U. S. cities, and pointers on the correct way to address military mail.

A family sending a 10-pound package from Agawam to Vietnam, for example, pays only \$3.40 on a package marked "PAL",

while the air parcel rate for the same package is \$8.08, Postmaster DeForge said.

On parcels weighing less than 5 pounds it might be more advantageous for a family to use the older (SAM) Space Available Mail Service, which provides surface transportation to the port of embarkation and airlift overseas. A four pound SAM package to a European military post from Agawam costs only .60 on packages weighing under two pounds air parcel is often the patron's "best buy" for through airlift service, the pamphlet suggests.

**MAKE A CLEAN SWEEP!**

MAKE YOUR HOME FIRE-SAFE... CHECK YOUR ATTIC, BASEMENT, UTILITY ROOM AND CLOSETS AND CLEAR OUT ALL THAT JUNK!

Spring is closer than you think—in more ways than one! This season designers are closing the fashion gap by bringing clothes closer to the body. Starting with the body shirt, this more fitted look has now extended to all manner of dresses, suits and coats. See how the coat featured here

moves down the figure before branching out for easy movement. That's the look that spells fashion for spring '68. Designed by Sycamore Coats in a great new breed of salt 'n pepper tweed, it has been COIN bonded for smooth fit, stability and lasting good looks. When two fabrics are permanently joined under the strict quality control standards maintained by COIN, you know you're getting fabric that won't separate, shrink or pucker up. That's why your dry cleaner calls a COIN bonded fabric the "no problem" fabric. And that's why most of today's important designers are using it in their new lines. They want you to have not only the latest in fashion but fabric-satisfaction as well!

The doctor's telephone rang insistently, and when he answered it a man on the other end said excitedly, "This is Bill Reese. Come quick my wife has appendicitis." "Nonsense, Bill," retorted the doctor. "I took your wife's appendix out three years ago, and I never heard of anyone to have a second appendix." "Yeah?" said Reese. "Ever hear of anyone have a second wife?"

## Internal Revenue Service News

### CONTRIBUTIONS

Contributions to qualified organizations are deductible, with limitations, if you itemize deductions on your Federal income tax returns, said William E. Williams, District Director for Internal Revenue for Massachusetts.

Deductible contributions include gifts to domestic, religious, charitable, educational, scientific, or literary organizations and organizations for the prevention of cruelty to children or animals.

Mr. Williams, however, cautioned individuals regarding payments made to qualified organizations for admissions to charitable functions. Payments can qualify as deductible gifts only to the extent it can be shown that they exceed the fair market value of any consideration received in the form of admission privileges, or other benefits.

Gifts of property such as furniture of clothing are deductible in the amount of the fair market value of the property at the time of the contribution.

The value of personal services

performed for qualified organizations cannot be deducted. Deductible, however, are out-of-pocket expenses paid in rendering uncompensated services for a qualified organization, including the purchase price and upkeep of a uniform, transportation expenses, and the cost of meals or lodging while away from home overnight on behalf of the organization. Auto expenses of 5 cents per mile may be claimed in lieu of deducting actual cost of gas, oil, etc.

### TAX REFUNDS ARE NOT AUTOMATIC

You will not automatically receive a refund of tax withheld from your wages unless you file a tax return, according to William E. Williams, District Director of IRS for Massachusetts.

A tax return is not required when the gross income received during the year is less than \$600, Mr. Williams said, but a return must be filed to obtain a refund of any Federal tax withheld. This advice applies particularly to students and other persons who worked only a part of the year.

Forms 1040 and 1040A must

be filed by everyone under 65 years of age who gross income for 1967 was \$600 or more. If the taxpayer is 65 or older a return is required only if total income amounts to \$1,200 or more.

### ACCOUNT NUMBERS — DIVIDENDS & INTEREST

Taxpayers who receive dividends or interest income are required to give their tax account number to the organizations that pay the income. For individual taxpayers, the tax account number is the Social Security Number.

Business firms are required to report to IRS dividends or interest of \$10 or more paid to anyone during a calendar year. The information returns, Forms 1099, are compared by computer with individual income tax returns to see if income is reported in the full amount.

Firms must also furnish a statement of total payments for the year to persons receiving dividends and interest amounting to \$10 or more.

## Many Pupils, Only One Book

JOGJAKARTA, Indonesia —

What does a teacher do when he has only one reading book — 12 years old and paperbound — and a class of 45 second-graders?

He — nearly half the teachers in Indonesia are men — stands at the front of the room and calls one pupil at a time to come before the class. The pupil steps forward, picks up the tattered book, and reads a few sentences.

The rest of the children in the class listen to the reading, after which the teacher questions them. The first questions are routine. They test listening and memory. The next questions are freer. They call on the pupils to tell what they might have done in a similar situation.

The relationship between the teacher and the one called on to read is free and easy. Even with a visitor in the room, the children come forward, exhibiting just a little shyness, and appear to enjoy the question-and-answer session.

In many Indonesian class rooms, the little paperbound reader is the only available text. There are no books for history or geography or science or arithmetic. Instead, even to first graders, the teachers lecture.

As soon as pupils have learned to write, they copy from the blackboard (A board painted black), and this becomes their only text book. C. P.

### BILL TO DISCHARGE MORTGAGE

TO THE HONORABLE THE JUDGES OF THE LAND COURT FOR THE COMMONWEALTH OF MASSACHUSETTS.

Respectfully represents HERVE W. LAMOTHE and BELLA A. LAMOTHE of Worthington in the County of Hampshire and said Commonwealth, that they were owners of a certain lot of land with the buildings thereon, situate in Agawam, in the County of Hampden and said Commonwealth, from January 30, 1945 to February 24, 1967 bounded and described as follows:

Certain real estate situated in Agawam, Hampden County, Massachusetts, known and designated as lot #3 (three) as shown on an unrecorded plan of lots owned by Adams & Crockett, Inc., dated June, 1926, made by Merrill & Sears, C. E., said lot being more particularly bounded and described as follows:

Beginning at a point in the northwesterly line of Federal Street as shown on said plan, one hundred twenty-five (125) feet southwesterly from the intersection of said line of Federal Street with the southwesterly line of Cooper Street; and running thence northwesterly at right angles to Federal Street along lots #1 (one) and #2 (two) on said plan, one hundred twenty (120) feet to land of owner unknown; thence Southwesterly along lot #4 (four) on said plan, one hundred twenty (120) feet to Federal Street; thence Northeasterly along Federal Street, sixty (60) feet to the point of beginning.

Being the same premises conveyed to me by deed of Albert S. Thyberg et ux, dated July 29, 1936, and recorded in Hampden County Registry of Deeds in Book 1621, Page 99. See also deed from Adams & Crockett, Incorporated, dated January 23, 1945 to be recorded in said Registry of Deeds herewith.

Subject to restrictions of record. Subject to taxes assessed as of January 1, 1945, which the grantee herein assume and agree to pay.

That the record title to said lot of land is clouded by a mortgage given by Petitioner to Mary A. Teahan dated January 30, 1945 and duly recorded in Book 1793, Page 524, purporting to secure a note for Eight Hundred Dollars (\$800) payable Twenty Dollars (\$20) monthly with interest annually, which mortgage appears to be undischarged, unassigned and unforfeited, on and by the record or not properly or legally discharged of record; that said mortgage was paid in full not later than October, 1947; that the mortgagor named in said mortgage and those claiming under them have been in uninterrupted possession of said land for more than twenty years after final payment was made thereon;

Wherefore your Petitioners pray that an order of notice issue for publication and after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20 of the Acts of 1924.

Herve W. Lamothe

Bella A. Lamothe  
On this 16th day of February, 1968, personally appeared before me within named HERVE W. LAMOTHE and BELLA A. LAMOTHE known to me to be the signers of the foregoing petition, and made oath that the statements therein contained so far as made of their own knowledge are true and so far as made upon information and belief that they believe them to be true.

## SPORTSMEN'S CORNER

By BILL CHIBA

The Agawam VFW Post held a very successful Ham (Turkey Shoot) Sunday in spite of the inclement weather. Dick Adelman, wife Mickey and son, Rick, operated the affair. The Ham shoots will continue til Sunday, April 7 . . . shooting commences at 1 p.m. sharp.

Winners of hams at the latest shoot included two teen age youths which points out very clearly that the family can participate in the events. The winners of hams were: Eli Parent; Rocky Stellato, a 15 year old youth; Miguel Sanchez, and his 12 year old son taking the last shoot.

### A TROPHY

Ice fishing in New Hampshire has been hot this year. The latest report to come down from the Granite State concerns a Mass. youth.

Thomas L. Hadley, 13 years of age, of Chelmsford, Mass., caught a large lake trout while ice fishing on Lake Winnepesaukee, off Chase's Point. It weighed 11 lbs., 3 oz. and was 31 inches long. It took Tom a good half hour to get the fish on the ice. The tackle used was a regular tip-up trap with 50 yards of 35-lb. test nylon line, a 15 ft., 6 lb. test monofilament leader with a No. 6 hook. The fish took all 55 yards of line and leader on the first run.

ATLANTIC SALMON YET Commissioner Ronald T.

Speers of the Atlantic Sea Run Salmon Comm., and Inland Fish and Game Dept. of Maine, recently reported on the progress of the Narraguagus River water control project.

He said that four dams will be built, with funds appropriated by the 103rd Legislature and matching funds from the Federal Anadromous Fish Program, to control the flow of four of the river's tributaries.

A major obstacle in the way of increased Atlantic salmon production on the Narraguagus is the great variation of water levels. The new structures will allow water to be held and later released to maintain a minimum flow on nursery and spawning areas during the low water periods, thereby increasing the production of young salmon that will go to sea and return as adult salmon.

Speers said that the design and engineering work has been completed, and dam sites have been selected at Bog Brook, Narraguagus Lake, Baker Brook, and Deer Lake. A Maine consulting firm is now working to determine the flowage areas at each impoundment.

The Bog Brook and Narraguagus Lake dams will be built this summer and the other two during 1969.

Back to New Hampshire, a couple of notes that are of interest. On Feb. 29 the count of snow vehicles registered at the Motor Vehicle office reached 4084. This is an increase of 863 since Jan. 10.

This year the New Hampshire Fish and Game Dept., is confronted with a unique problem making it necessary to provide supplementary food for deer on Rattlesnake Island on Lake Winnepesaukee. During the past few weeks grain has been furnished them and it is estimated that each deer is consuming about two pounds per day.

That man may last but never lives, who much receives and nothing gives.—Gibbens.

# Walk Extra Mile To Lose Weight

Want to lose ten pounds in the next year?

One way you can do it is to walk an extra mile every day.

The American Medical Association's home health book, Today's Health Guide, reports that a walk of just an extra mile per day for 36 days is a "simple, pleasant device for shedding an extra pound of fat." In a year this would mount up to about ten pounds. The extra mile means just that—a mile of walking in addition to the customary walking you now do each day.

Once regarded as a major factor in losing weight, physical activity was later accorded less importance. It was realized that considerable effort was required to shed even one pound of extra tissue. Would-be reducers found comfort in some expert opinion that calories expended through exercise would be immediately replaced, due to an automatic increase in appetite.

Fortunately for fitness as well as for fatness, exercise has been restored to grace and enjoys respectability. Exercise helps expend calories; within the usual range of activity, it need not stimulate appetite excessively. The energy output required to offset a pound of fat is approximately 3,500 calories, but the weight need not be lost all at once.

Instead of the exhausting, often impossible, 36-mile hike within a span of hours, a walk of just one extra mile a day for 36 days will get rid of that extra

pound. Weight gain usually is relatively slow, and the extra mile will—for most of us—help keep our weight down to a reasonable figure.

Exercise also furthers physical, mental, psychological, and social fitness. It provides an outlet

for emotional tensions, promotes self-confidence, wholesome social activity, and good sportsmanship. It enhances the sense of general well-being that enables us to confront and master a reducing regimen.

To be effective for both weight reduction and for general physical conditioning, exercise must be a regular part of your way of life, and not something that is overdone spasmodically.

So, if you want to lose ten pounds in the next year, just arrange to walk that extra mile today.

## Daily 'Gas' Tax Bill Nears \$23 Million

Americans are paying federal and state motor fuel taxes at a rate of \$22.9 million a day in 1968.

This is an increase of 83 percent over the daily collections of \$12.5 million in 1958, when the combined state and federal gasoline tax rate averaged 8.91 cents a gallon.

In January, 1968, the average rate was 10.72 cents a gallon—the equivalent of a 47 per cent sales tax on the retail price of regular-grade gasoline.

Total fuel tax collections in 1968 are expected to reach nearly \$8.4 billion—an average of \$953,105 an hour and \$15,885 a minute.

## Bonomi Receives Service Ribbon

SHERMAN, Tex. — Airman First Class Richard B. Bonomi, son of Mr. and Mrs. August Bonomi of 1383 Suffield St., Agawam, has been recognized for helping his organization earn the U. S. Air Force Outstanding Unit award.

Airman Bonomi, an accounting specialist in the 4780th Air Defense Wing (training) at Persim AFB, Tex., will wear a distinctive service ribbon as a permanent decoration.

The unit was cited for achieving an exceptionally meritorious rating from July 1965 to June 1967. The citation accompanying the award lauded the wing for its " . . . clearly superior combat crew training program which has produced the highest caliber of interceptor pilots for the U. S. Air Force."

"Additionally," the citation continued, "the wing maintained a highly effective combat force-in-being consisting of expert interceptor aircrews and combat-ready aircraft, capable of immediate response to any national emergency."

During the award period the 4780th flew more than 91,800 hours in single engine jet aircraft, which represents approximately 15 per cent of the total logged within the Aerospace Defense Command.

The airman, a 1961 graduate of Agawam High School, received his B.B.A. degree in 1966 from the University of Massachusetts.

Last year 82 per cent of all commuters in the United States traveled to and from their jobs by private automobile.

## WHAT'S A FISHING MOTOR

One popular misconception about outboard motors used for fishing is that they are small, temperamental and coated with fish scales.

Once, this might have been a valid observation. Today, however, the outboard is found in such a wide number of fishing situations that size is no criterion, and neither is the tendency to be temperamental.

So, what IS a fishing motor? According to the fishing folks at Mercury outboards, this label can be hung on any powerplant shoving a rig through any waters for fishing—from placid ponds to the briny deep.

Horsepower requirements are determined by the type of fishing in which an angler engages most often and the style craft used.

On small lakes or streams where johnboats, canoes and 12-foot skiffs are adequate, the 3.9-hp engine is seen most frequently.

The 6- and 9.8-hp motors outnumber other power classes. They fit the country-wide average of fishing situations where power needs are matched to lightweight craft and reasonably protected waters.

On large impoundments where distances to good fishing spots are considerable, 20- and 35-hp motors are common. These units will push a boat along at a fast clip, one of the reasons they are favored by professional fishing guides.

Another favorite of many guides is the 50-hp outboard that can drive a large, heavily laden skiff with ease. It's also a good choice on small family runabouts which serve in dual roles for both water skiing and fishing.

The 65- to 110-hp outboards are common on the Great Lakes and in saltwater where twin installations of these units are familiar.

So, say the Mercury lads, you can erase the old image of fishing motors or most of it anyway. If there are a few old scales sticking around, it's a tribute to the owner's fishing abilities.

## Braniff May Pay Passengers

New York

Braniff Airlines said that anytime its planes are more than 15 minutes late on arrival it will present each passenger with a "Fastbuck," redeemable for \$1.

"If we don't get there on time," Braniff officials said at a news conference, "an alarm will sound over the intercom system. The moment that alarm sounds we owe every passenger a Fastbuck worth \$1."

The payment offer begins April 1 and will continue for three months.

Braniff said that, since it carries 500,000 passengers a month, the possibility is that payments for lateness could total \$1.5 million in three months.

The idea is similar to the passenger rebates for lateness paid by the New York Central's luxury 20th Century Limited between New York and Chicago. Until 1932, the railroad refunded \$1.20 for each hour the crack train was late up to a maximum of \$9.60.

# There's A Diet To Fit Your Need

The American public is now well aware that any effective weight control program must include dieting.

Hundreds—perhaps thousands—of different diets are presented to us. Most are billed as a "sure-fire" means of trimming off excess pounds.

The American Medical Association's home health book, "Today's Health Guide," points out that weight can be lost on virtually any dietary plan, good or bad, that ensures a caloric intake less than energy used. It is apparent, however, that many diets are only temporarily effective and do not promote the fundamental purpose of permanent weight loss.

Reducing diets, ideal weight charts, calory-counting tables are available almost everywhere. It is our purpose here to discuss briefly some principles of the good reducing diet.

- The diet should be individualized in harmony with income, national origins, religious principles and personal circumstances.

- The diet should be practical, consistent with work patterns and other everyday obligations and responsibilities.

- The diet should be balanced, and in conformity with good nutritional practice.

- The diet should be a pattern for life, not just for the period of weight reduction.

Generally, physicians do not recommend the crash diet in routine weight reduction. Instead, they are more likely to prescribe a diet aimed at a gradual weight reduction over several months.

It usually isn't necessary to go hungry while dieting. Your physician can help you work out a diet that will be satisfying and at the same time permit you to lose weight.

## Scouts Appoint Affleck Membership Chairman

Herky Foster, Assistant Scout Executive, announced this week that Fred Affleck of 100 South Park Ter., has been named Chairman of Agawam's Sustaining Membership Drive for the Boy Scouts of the Pioneer Valley Council, for the third consecutive year. Mr. Affleck has a long background of Scouting experience, having served as Scoutmaster of two Troops, Chairman of Troop 89, and presently Secretary of 89 and Chairman of Pack 82.

Last year's sustaining members have received a letter-appeal which it is hoped will result in renewal of membership by those who receive it. Efforts are underway to contact all interested parents of both Boy Scouts and Cub Scouts in Agawam to tell the story of the need for sustaining members and to give parents an opportunity to support scouting in this area.

Serving on the 1968 Agawam committee are David Marshall, Joseph Guy, Alcott Olson, Jr., Calvin Phillips, Viola Cummings, John Bordurtha, John Nahajilo, Walter Lawrencechuck, Frank Guimond, Reginald Dalrymple, Robert Trempe, Edwin Cushing, George Cobleigh, Jr., and Ralph Benedict.

George: "Why did God make women so beautiful—and yet so dumb."

Wife: "Beautiful, so you would love us. Dumb, so we would love you."

## My Beat — A.H.S.

Jo-Ann Della-Giustina

Next week Agawam High will present "South Pacific" a musical that takes place on a South Pacific island. Love and laughter de-

velop on the island, and a touching story ends happily.

Leads will be Dory Major and Greg Orr, both seniors. Supporting roles are Ellen Moriarty, Bob Reynolds, Bill Barker, Mike Connolly, John Scherpa, Alan Edwards, Fred Artuso, Donna Farina, Joanne Ayotte, Ed Morassi, and Nick Lawrencechuk.

Tickets are now on sale for the play, which will be presented on March 21, 22 and 23.

## MATH TEAM

Recently, the AHS Math Team participated in the meet which was held in Monson. Past meets have been held in Longmeadow. Leading the team in points is senior Gerald Alfano, who is president of the National Honor Society. Other members of the team are George Huba, Michael Cordy, Fred Kulas, Rich Cimma, and Jo-Ann Della-Giustina.

## London Bridge Lures Prospective Buyers

LONDON — Two men are headed for the United States to interview prospective buyers of the 136-year-old London Bridge.

The granite bridge — not to be confused with the high and more-often-photographed Tower Bridge — is being pulled down because it is gradually sinking in the mud of the River Thames.

The bridge, one of London's most famous landmarks, has been divided into 10,000 numbered parts to make it easier for the buyer to rebuild somewhere else. Bids will close March 29.

A City of London spokesman said the granite alone is worth \$1.8 million.

## Why Not A Sale?

Connor, Mont.

The post office in this community with a recorded population of five has 2 million post-cards for sale.

Postmistress Kathryn Robbins says she ordered 2,000 of the new five-cent cards for the office, but a 200-box shipment weighing more than five tons arrived instead.

"I'll never get rid of them. I'll just have to send them back," said Mrs. Robbins.

## V.F.W. Post 1632 and Auxiliary Bulletin

By ANNA D. BISSONNETTE

Once again the time has arrived when new officers are to be elected to guide the way of our Post to bigger and better things.

### REGULAR MEETINGS

April 1st—Nominations for the various offices will be held.

April 15th—The election of officers will take place.

Members remember these dates and please make a special effort to attend—all meetings start at 8.

### PAVILION

At the present time we are in the process of building a new pavilion which will be ready in the spring. This will enable us to have larger gatherings at our functions. Also the building of a new Post Home seems to be coming into thought.

The Post is on the move and now is the time for ALL mem-

bers of Post #1632 to come to the aid of their officers and help make our Post what we are all striving to have it "OUR HOME AWAY FROM HOME."

Again, please, try to attend the above two very important meetings and help elect your officers who are the backbone of the organization.

### LITTLE BITS

On March 6th, Ed Harpin celebrated his birthday with a cake presented to him by Ellie Appleman. On March 9th, both Tom and Katy Dickinson were the recipients of a large cake and many gifts.

Here is my special answer to a question that was put to me about a week ago—and may I extend my best to all in this position . . . WHAT IS A TEACHER?

## WHAT IS A TEACHER?

She (He) comes in all sizes and temperments; short, tall, skinny and plump; laughing, serious and sometimes sad.

She's (He's) a psychiatrist without a couch, a politician without a promise, a baby-sitter without the right to raid the icebox.

She (He) makes less money than a woman wrestler, a strip-tease dancer or the women blackjack dealers in Nevada.

In addition to knowing all there is to know about reading, writing and arithmetic, she (he) has to be an authority on baseball, grasshoppers, little girls, snakes, young love and little boys.

Underpaid, unappreciated at times, harried and overworked, she (he) gains her pay in secret satisfaction.

Secretly, she (he) will admit, "I have the greatest job of all," because she holds the history of the world in the palm of her hand.
